MADRAS

Sir,

COMMUNITY PROJECT - South Kanara / Block II - Communications Construction of a footbridge at Irundel in Arla village - Estimate - Sanction - Requested.

I submit herewith an estimate in duplicate with site plan etc. for the construction of a ~~kxxxxxxx~~ footbridge at Irundel in Arla ~~xxxxx~~ village across the poramboke channel in S.No.46A. The particulars required are furnished below:

1. Blcok No. II.

2. Name of work - Construction of a footbridge at ~~xx~~ Irundel in Arla village across the poramboke channel in S.No.46A.

3. Whether the work was approved by the Firka and the Project Advisory Committees. Yes. ~~Xx~~.

4. Cost of work: Rs.3280/-.

5. Villagers' contribution: Rs.1094/- being 1/3rd of the total cost.

6. Expenditure to be borne by the Community Project - Rs.2186/-.

7. Remarks: The proposal is to construct a footbridge across the poramboke ~~xxx~~ channel in S.No.46A of Arla village at the locality known as Irundel. The proposed work will benefit the residents of the locality who are mostly agriculturists and through whose fields the channel flows and also the small children attending the school situated nearby. The villagers have promised to contribute 1/3rd of ~~x~~ the cost ~~of~~ which comes to Rs.1094/-. The remaining expenditure of Rs.2186/- has to be borne by the Community Project. As it is a useful work, I recommend that the estimate may be sanctioned for Rs.2186/-.

PROJECT EXECUTIVE OFFICER. 17/4

(C No 7871/53) Sub- Community Projects- South Kanara District- Communications. Estimate for Constructing a foot bridge at Irundel in Arla Village.

p1 CF Ref- From the PEO. Mangalore- ref C No. 1102/53-B dt 15 4/53

Please see the letter from the PEO. Mangalore at p1 CF. The PEO submits an estimate for Rs 3280/- for Constructing a foot bridge at Irundel in Arla village.

The estimate has been scrutinized. The proposal is to span the 35 ft stream with 2 spans of 16 ft. The abutment and pier will be of random rubble in Cement mortar 1:4, and will be founded on hard soil which occurs at about 7 ft. below the deep bed of the Stream. The decking will be of 2" thick planks carried on 2 beams of wood of 8"x10" section A clearance of 1-foot is provided between the bottom of beams and the observed maximum flood level

The estimated cost is alleged to Rs 3270. The public Contribution is reported to be at a third of Cost or Rs 1090. The sanction asked for is Rs 2180.

Not put up The budget estimate approved by the CPA allows 33 foot bridges to be Constructed at an average expenditure of Rs 1700 each, for the first year. 10 such works have been sanctioned for execution at a total cost of Rs 25,480 at an average of about Rs 2,550. It is submitted for orders whether the work may be sanctioned or the PEO asked to obtain a higher proportion of Contribution so as to have an equitable distribution of works provided in the budget.

Without higher contribution the target cannot be achieving.

D.E.

We may agree to the Construction in this case on the Contribution offered. There has been lot of criticism from S.I.C. about the non-cooperation of the authorities with the local people.
